THE sound money Demogratic or-

are giving the Popocrats to understand that any time they want another scrap to say so.

George Washington is yet occasion- from being the recognized leader of tainly be made in a large measure often Democratic, gave him 60,000, ally to be found. But the man who the silver Democracy, before the four self-supporting. It could be made and the comparatively small city of four years from now can remember years have half done he will be a to provide work for men, women and Indianapolis, gave him 14,000; Cleveany valid arguments used by the subject of ridicule by the men who children who are unable otherwise to Cleveland Milwaukee, both of which Popocrats in the recent campaign erstwhile supported him. will be a genuine curiosity.

LET the investigate the allocation of political orators of which he is now the recognized leader one would imagine there was great one would be given those of any city in the country. As for the manufacturing States, the plurality of the manufacturing States, the plurality of the work of the manufacturing states, the plurality of the manufacturing states, the plurality of the work of the manufacturing states, the plurality of the work of the manufacturing states, the plurality of the work of t every repeater, every importer and unrest and discontent among the laballot box stuffer be corralled and boring people in all parts of the counnecessities and the circumstances of 000 in Massachusetts, 54,000 in Connecessities and the circumstances of 000 in Massachusetts, 54,000 in Connecessities and the circumstances of 000 in Massachusetts, 54,000 in Connecessities and the circumstances of 000 in Massachusetts, 54,000 in Connecessities and the circumstances of 000 in Massachusetts, 54,000 in Connecessities and the circumstances of 000 in Massachusetts, 54,000 in Connecessities and the circumstances of 000 in Massachusetts, 54,000 in Connecessities and the circumstances of 000 in Massachusetts, 54,000 in Connecessities and the circumstances of 000 in Massachusetts, 54,000 in Connecessities and the circumstances of 000 in Massachusetts, 54,000 in Connecessities and the circumstances of 000 in Massachusetts, 54,000 in Connecessities and the circumstances of 000 in Massachusetts, 54,000 in Connecessities and the circumstances of 000 in Massachusetts, 54,000 in Connecessities and the circumstances of 000 in Massachusetts, 54,000 in Connecessities and the circumstances of 000 in Massachusetts, 54,000 in Connecessities and the circumstances of 000 in Massachusetts, 54,000 in Connecessities and the circumstances of 000 in Massachusetts, 54,000 in Connecessities and the circumstances of 000 in Massachusetts, 54,000 in Connecessities and the circumstances of 000 in Massachusetts, 54,000 in Connecessities and the circumstances of 000 in Massachusetts, 54,000 in Connecessities and the circumstances of 000 in Massachusetts, 54,000 in Connecessities and the circumstances of 000 in Massachusetts, 54,000 in Connecessities and the circumstances of 000 in Massachusetts, 54,000 in Connecessities and 000 in Connecessi sent to the penitentiary without regard to his politics or standing.

THE "First Voters' Sound Money Club," of Hastings, Minn., has a gigantic horn ffty feet long and with twenty-six mouth-pieces. Thirty young men carry it and its sonorous blasts strike terror to the hearts of all Popocrats within a radious of

In 1882 Mr. Cleveland carrie New York by a plurality of 192,854. This was considered such a wonderful thing that the prodigy who had accomplished it was at the first opportunity made president of the United States. Yet New York this year sits down on the free silver heresy with a majority of 272,000 for McKinley.

As Spain already has two able bodied rebellions on hand, it is not bely that she will declare war is, the United States. But this of coasustrates how possible war governmentause the construction And we sample protection against watacks of a foreign navy.

In the single town of Anderson, Indiana, yesterday no less than 5000 answer to the United States, represenplan to any considerable extent, the idle laborers were put to work. Just tations upon Venezuela's claims and suggestions being made merely by people are thriftily buying homes and on me until to-day, an' she told me think what a vast difference in the condition of retail trade, including Doctrine brought this country and farm produce such an increase in England to the verge of war, and unfarm produce, such an increase in England to the verge of war, and unthe number of wage-earners must doubted!y aggravated greatly the that more intelligent and prudent following table shows the per centage and she looked and ground so awful I make. Should their earnings amount panic already existing. But the charity work should generally be which all the families in mortgaged was scared at first, but she told me to only to ten dollars per week on the great diplomatic victory which this done. Nothing would give more leasure to the people of the United tates unless it would be an opportunity to send to the bottom of the have been insolently annoying Amedress in F. President will act with is well for these fates so severe a recan merchantmen and insulting Old

Bryan to do. Being a populist in everything but name, he might readinever follow a forlorn hope with himfor a leader again.

It is to be hoped for the honor of America there is no truth in the statement, coming from Spanish sources, that Mr. Cleveland has given assurance to the Spanish government that he will not UNDER ANY CIRCUM-STANCES recognize the insurgents as belligerents. There are not, it is believed very many patriotic Americans who in Mr. Cleveland's position would have withheld this well earned encouragement from this oppressed people. The record of Mr. Cleveland has not been one of sympathy for the oppressed of other lands, but it is hard to believe that even Mr. Cleveland would commit himself to such a heartless concession to an effete and barbaric despotism such as
